| 2025/14411 | MINUTES OF THE LAST MEETING | RESUME |
| <p>The minutes of the last Court, held on Wednesday 19th November 2025 were approved, and signed by the Official Verderer.</p> | | |
| 2025/14412 | NEW DECLARATIONS OF INTEREST | RESUME |
| <p>There are no new declarations of interest.</p> | | |
| 2025/14413 | CONDITION OF STOCK | RESUME |
| <p>Mr Deakin said the ponies are looking well going into winter. There are a few exceptions including mares with foals still at foot which the Agisters are catching and removing as required. The condition of many ponies has improved since the long dry summer.</p> | | |
| <p>The Welfare Tour was held last week, initially the weather was not conducive to ponies being out of shelter and in the open, but the tour was successful.</p> | | |
| <p>Mr Deakin said there have been issues with donkeys raiding recycling bins in Wootton. The incidents have been reported to NFDC via their website</p> | | |
| <p>The Official Verderer said NFDC has said food waste bins will be collected from inside of properties within the perambulation of the New Forest. The Court welcomes this decision and hopes that a similar provision will apply to wheelie bins in the future.</p> | | |
| 2025/14414 | STALLIONS | RESUME |

Mr Deakin said the stallions have now been moved off the water meadows and are back in the usual grazing.

The National Trust are happy with how the meadows have been grazed and it is hoped that we may have use of the water meadows again in the future.

2025/14415 BOVINE TB

RESUME

No new cases or updates to report this month.

Mr Deakin said he is hoping to arrange a Cattle Commoners meeting with APHA in the spring.

NEW SUBMISSIONS BY FORESTRY ENGLAND

2025/14418 NEW ELECTRICITY HOOK UPS AT HOLMSLEY CAMPSITE AMENDED PROPOSAL

DISCHARGE

The revised proposal was approved with no objections subject to CNF providing the Court with a detailed topographical plan of the campsite within three months of the works being completed. Along with the three usual conditions regarding satisfactory reinstatement, safe working conditions and compensation for loss of grazing etc.

MATTERS ARISING FROM PREVIOUS COURTS OF CONCERN TO FORESTRY ENGLAND

2025/14419 BRAMSHAW GOLF CLUB

RESUME

Mr Adderley said he has met with the club who are currently operating without a Management Plan. He is meeting with the club again and will provide an update at the January Court.

2025/14420 RAILWAY FENCING

RESUME

The Official Verderer has emailed Network Rail regarding the misunderstanding relating to legal action and is awaiting a response.

Mr Deakin said there is no update on the commoners claim for the loss of a steer on the railway line.

2025/14421 CAMPING ADVISORY GROUP

RESUME

The Court thanked Mr Chatters for all the work he has put in on the Camping Advisory Group and for the detailed report he circulated prior to the meeting.

Concerns were discussed regarding the amount of camping furniture that has not been removed from the campsites now they are closed. Not all areas have been thrown open to stock as required. The Clerk is asked to email CNF asking them to clear the campsites including the wardens areas of furniture and to lock open all areas that should currently be open to livestock.

ANY OTHER BUSINESS INVOLVING FORESTRY ENGLAND

2025/14428 CADNAM CRICKET CLUB

RESUME

Miss Sevier asked Mr Adderley how things were progressing with Cadnam Cricket Club. Mr Adderley said that due to a work backlog at Natural England the club are drafting their own management plan based on the one they hold at Minstead. He hopes to have received a copy of this by the end of the week and will update the Court in January.

Mr Deakin said that Cadnam was the scruffiest club in the Forest with stuff piled high all around their pavilion. The pile of spoil has not been removed from the grazing close to the gate. Pigs and ponies are running through and stepping over the dangerous wicket square fencing at Football Green.

The Official Verderer suggested that Forestry England put in more conditions regarding fencing in the club licence renewals and include photos of best practice.

2025/14429 NFDC PUBLIC SPACE PROTECTION ORDER CONSULTATION DISCHARGE

Mr Gammon raised concerns regarding recent outbreaks of African Swine Fever on the continent with the latest being in Spain. He suggested that the PSPO on the feeding and petting of animals should be extended to all commonable livestock, equine, bovine and porcine. He will respond to the consultation on behalf of the Court.

2025/14430 GAS MAIN WORKS ON RHINEFIELD ROAD, BROCKENHURST RESUME

The Court have been contacted by the North Weirs Residents Association raising concerns about the track being used as a rat run if Rhinefield Road is closed to traffic.

The Deputy Surveyor said Forestry England are aware and share the residents' concerns and are working to see what they can do as owner of the track to mitigate any damage. The Deputy Surveyor is meeting with Brockenhurst Parish Council following the Court to discuss the matter further.

Mr Deakin said he had attended a site meeting, but Verderers Consent has only been obtained for overground surveying and for two trial holes to be dug to locate the gas main. The Clerk is asked to contact Assetsphere to see if they are aware of the works starting in January.

Action Clerk

2025/14431 FOREST BRIDGES RESUME

Mr Stride said that concern has been raised by the Commoners Defence Association that several Forest bridges are unsafe. He will draw up a list for the Deputy Surveyor.

Action RS

2025/14432 AFFORDABLE RENT FOR FORESTRY ENGLAND EMPLOYEES DISCHARGE

Mr Stride commented on the monthly rent of a property recently advertised to Forestry England employees, saying it was way over the affordable level for agricultural workers. Mr Adderley said Forestry England have to let the properties at the market rate less 20%.

Mrs Tilbury asked if Forestry England would consider an agreement with a commoning family to carry out repair works to properties in lieu of rent instead of leaving the properties empty. The Deputy Surveyor said it would depend on the property and the works required but it may be something that FE could consider.

2025/14433 MOONHILLS GREEN DISCHARGE

Mrs Tilbury said Nicholas de Rothschild has asked her about the gorse clearance on Moonhills Green. Mr Stride said that it had been discussed at the OFAC and some clearance was being carried out in the local area. The Court does not consider the gorse growth at Moonhills to be excessive.

2025/14434 FOOTBRIDGE AT WOODFORD BOTTOM DISCHARGE

Mr Pasmore reported that the Horse/Footbridge at Woodford Bottom is unsafe. Mr Stride said he has reported it to Forestry England and

will add it to the list of bridge issues he is compiling for the Deputy Surveyor.

2025/14435 FORESTRY ENGLAND'S PROPOSED CAR PARKING CHARGES DISCHARGE

Miss Harrison said the sub-committee has not had an update from Mr Burke regarding the Parking Green List, the Deputy Surveyor said it is being worked on and is a priority.

Miss Harrison raised her concerns regarding displacement parking on the commons especially after hearing that Natural England currently have a work backlog.

2025/14436 NEW FOREST CRICKET CLUBS RESUME

Mr Deakin said he would like to know what the agreements between Forestry England and the Forest Cricket Clubs say about the permitted size of the wicket square. He said Cadnam has an area fenced off that is double the size of the other clubs he has visited. He also raised concern about the wicket covers being stored next to the wicket square, necessitating the extra-large fenced area.

Mr Deakin said that most of the clubs he visited were tidy apart from Cadnam and Ellingham where there was a lot of rubbish dumped behind the gates.

2025/14437 MONITORING OF ISSUES ON CROWN LAND RESUME

Mr Deakin asked the Deputy Surveyor who from Forestry England is responsible for monitoring and resolving issues on the Crown Land e.g. dumped garden waste, property for sale boards, building materials on verges etc. He said that traditionally it would have been the Keepers, but now it seems to fall to whoever cares enough to act. The Deputy Surveyor replied that it is part of the Estates Officer's role.

The Official Verderer said that he hoped the new Forestry England parking team will be proactive in reporting issue they see during their working day. The Deputy Surveyor said some staff will be seasonal but there will be a core team that will have the capacity to take on some of the extra neighbouring work.

2025/14438 BURLEY CRICKET CLUB DISCHARGE

Mr Deakin said part of Verderers Consent for the wheeled hurdles to be used by the club is that they were to be painted black. Mr Adderley will contact the club and ask that the hurdles are painted before the cricket season starts.

Action OA

2025/14439 LYNDHURST AND ASHURST CRICKET CLUB DISCHARGE

Mr Adderley said he has been contacted by the Chairman of the Lyndhurst and Ashurst Cricket Club. The Club has gone up a league and are now required to have sight screens in situ on match days. The screens will be on wheels and will be removed after each match.

The Court agreed to the club using the screens, but they must be removed after every match. Any structural elements must be dismantled and put away at the end of the season.

There being no other business involving Forestry England, the Deputy Surveyor and the Land Agent left the meeting.
